CORE COMPETENCIES

- ◆ **Janitorial and custodial** — recurring cleaning for offices and federal and institutional buildings. Our main line.
- ◆ **Commercial and residential** — offices, medical and dental clinics, churches, retail, property common areas, and homes: recurring, deep, move-in/move-out, and post-construction cleaning
- ◆ **Carpet, upholstery, and floor care** — extraction, upholstery, routine and periodic floor care
- ◆ **Facility and building services** — facilities support, exterior and seasonal work
- ◆ **Specialty scopes** — painting, construction, waste collection, supplies; only once a licensed, insured team is confirmed

HOW WE DELIVER

- ◆ **Bid discipline.** Every requirement read in full; partner licenses, insurance, and background checks verified before pricing; subcontracting limits checked.
- ◆ **Owner-supervised.** Calvin leads kickoff and inspections, on site or remotely with the partner's site lead.
- ◆ **Checklists tied to the PWS.** Each task, frequency, and standard by area, keyed to the PWS.
- ◆ **QC and corrective action.** Scheduled and unannounced inspections; deficiencies logged, fixed, and re-inspected; records open to the COR.
- ◆ **Staffing.** Background-checked workers: our own hires near Killeen, vetted partner subcontractors elsewhere, with named backup for every site.
- ◆ **Supplies and equipment** sourced to the PWS, Safety Data Sheets on site, in place before start.
- ◆ **COR communication.** Kickoff meeting, agreed check-ins, and a reply within one business day.
